

"I buy the best meat here!"

"You should see how my family goes for the meat we buy at Food Giant! The kids like it so much that my wife and I drive two miles over here, twice a week, to stock up on all kinds of meats, roasts, and chickens . . . and you should see the delicious meals my wife makes from the fresh beef we buy here! As for the kids, you know what they like - - hamburgers! The meat at Food Giant is the best anywhere and the prices always right!"

Mother-Baby Care Classes Set for Prospective Parents.

Red Cross announces the scheduling of two mother and baby care courses open to prospective parents and others interested in the free instruction. One series of classes begins Tuesday at South Bay Red Cross office, 109 Emerald St., Redondo Beach, and will be taught on consecutive Tuesdays and Thursdays from 7:30 to 9:30 p.m. On Oct. 22 another course will begin in regional Red Cross headquarters, 390 W. 7th, San Pedro.

Giant Realty Moves Office To Torrance

Giant Realty opens new location at 2918 Sepulveda Blvd. Torrance, with a new concept of selling in the Real Estate field. Giant Realty offers a Real Investment program, a Real Estate Retirement program and a Real Estate Exchange program in homes or income property as well as direct selling.

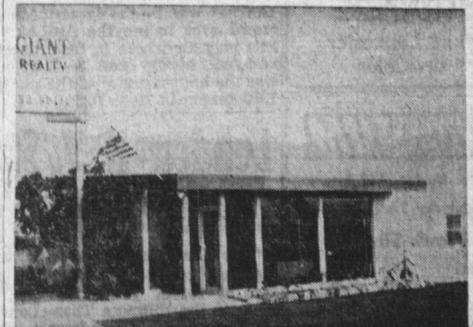

Registration for either course may be made by calling the Torrance-Lomita Red Cross branch office, FA 8-0510. Mother and baby care is one of the many areas of training provided free through the nursing services division of the American Red Cross. During the seven two hour class sessions, students are given an opportunity to learn the ABCs of baby care through discussions and practice of various techniques as explained by specially trained registered nurses who volunteer their time explaining the underlying principals through lectures and illustrative materials. Mrs. Catherine De Boldt will teach the course in South Bay. Volunteering as the instructor for the classes in San Pedro is Mrs. Marie Kaplan, a Palos Verdes resident.

Firm Given Contract for Alondra Park

Usona Construction Company has been awarded a \$120,979 contract for the general development of Alondra Park in Lawndale. The Usona firm was the lowest of 11 bidders for the job. Bids were opened Sept. 12 and ranged to a high of \$159,000.

Work will center in the northeast section of the county park and will include general development of approximately 10 acres. Supervisor Kenneth Hahn pointed out the low bid is more than \$9,000 below the engineer's estimate for the project.

Development of the park will include new concrete sidewalks, chain link fencing, additional parking space for 84 cars, new sports facilities, development of an amphitheatre, installation of an automatic sprinkler system and park lighting. The project is expected to be completed within five months.

GIANT MOVES are made by Giant Realty when it opens its new location at 2918 Sepulveda Blvd., Torrance. Owner H. J. Loewenberg, 11-year Torrance resident, brings with his office a new concept of selling.
